To E. P. A.

To whom it may concern

We wish to object to the proposal by Lagan Cement to Burn Meat and Bone meal at their plant in Killiskillen Kinnegad. We live adjacent to the plant & we are very concerned about the risks involved. We are forced to live in very unhealthy conditions since the plant was built & the burning of meat & Bone meal would be an additional health hazard.

Our environment has been devastated by this dirty industry already so please don't make it any worse

Yours sincerely
