Dear Sir or Madam:

I/We Josephine Leonard wish to object to
the proposed planning regarding Meat and Bone Meal Incineration at
Lagan Cement Killeskillen, Kinnegad, Co Meath.

Reasons for objection are as follows:

It's not good for the area and the
residents of the area and I feel
this kind of incineration will produce
a smell into the area, an unwanted
one that might be a danger to
our health.

Yours Faithfully

Josephine Leonard.

To Whom It May Concern:

We the undersigned **Object** to the proposal by Lagan Cement Limited to use their Plant and Facilities at Killaskillen, Kinnegad Co Meath to Burn Meat and Bone Meal. We believe that if the burning of M.B.M. were allowed to go ahead that it would present risks to all of the people of our community and environment.

- **Stop** the Potential risk to our health both now and in the future
- **Stop** the Potential risk to our Age old natural water supply
- **Stop** the Potential risk to the air we breath and the food we eat
- **Stop** the Potential risk due to the inevitable devaluation of property both residential and farming

We ask you please to ensure that the burning of MBM or any other waste material is not allowed so that we can protect this area that we live in for our future generations
