Attention: Dr Karen Creed

**Re: IPPC licence review application, Sola ADC Lenses Ltd, Whitemill Industrial Estate, Wexford (Reg No 741)**

P0062-02

Dear Dr Creed,

I refer to your letter of 03/07/06 re the above and your attached copy of objection from Sola ADC Lenses Ltd to the proposed determination of 07/06/2006.

I wish to advise you that the basis of charge by Wexford County Council for waste water discharged by Sola ADC Lenses to the public sewer shall be on the basis of volume of drinking water supplied to the company.

The actual cost per cubic metre of drinking water and the cost per cubic metre for the discharge of waste water is subject to annual review.

Yours sincerely,

Daragh Cullinan  
Senior Engineer  
Water Services
