Re Goff Recycling at Ballygillane Kilrane

Dear Ms Bosley

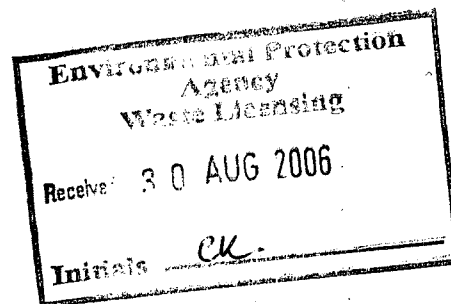

I am again writing to complain about the foul smelling odours emitted from the premises of Goff's on the morning of the 24.8.06.

The constant noise from mechanical units being operated by Goff's is also on the increase as business volumes increase. I cannot be expected to be subjected to this intrusion on a continuing basis.

Yours Sincerely

A handwritten signature in black ink, appearing to read "Donal Garry".
