Dear Sir/Madam
 I am writing to you regarding the application for a Waste Management Licence (WML) for the site at [illegible].
 I have reviewed the application and the supporting documents and I am pleased to advise that the application is acceptable in principle.
 However, I have identified a number of issues that need to be addressed before the application can be approved. These are listed in the attached letter and I would appreciate your response to these issues.
 I would like to see the proposed WML and the supporting documents as soon as possible. Please return the documents to me by [illegible].
 If you have any questions, please contact me on [illegible].
 Yours faithfully,
 [illegible]
