Re: DAIRYGOLD IPPC 0404-02 and 0404-01

Dear Sirs

The various submissions I have made re the above since 2nd June 2006 do not appear to be listed on your website under submissions by third parties in re IPPC 0404-02. Could you please list them now.

I note that Dairygold have not complied with your correspondence of December last to submit documentation and formal application for review of their licence within one month, i.e. mid January 2006. Can you please require DG to submit the necessary application and documentation now, and if necessary review and restrict the licence accordingly.

I note the continuing problems and complaints in re mal-odour and tonal noise from their Castlefarm facility. Please treat this as a formal submission.
