Dear Ms Moran

I refer again to your letter of 18th September 2006.

Please find enclosed a copy of the reply received from the Environmental Protection Agency which addresses the concerns raised in your letter.

It was noted at the meeting of the Joint Committee today that this reply confirms that the application for IPPC licence in this case remains open to all parties to make submissions on concerns they may have.

This being the case, it was agreed that further action by the Joint Committee would not be appropriate at this time.

Yours sincerely

Colm Downey
Clerk to the Joint Committee
