Dear Ms Donlon ,

I wish to acknowledge receipt of the correspondence regarding the sanitary Authority response to Section 99 regarding a consent to discharge in relation to the above named premises as previously issued by Cork County Council.

The changes requested by the company will require clarification and agreement between the Water Services section of Cork County Council and the Cork Main Drainage section of Cork City Council, if they will be permitted. The applicant has requested significant changes and the earliest possible date for a definite response will be the 30<sup>th</sup> November 2006. I have forwarded the documentation supplied by both the applicant and the agency to the Water Services Sections of both Cork City and County Councils and will await a response to the requests as outlined in the review application
