Re: Corrib Gas - RTE 'Prime Time', Thursday 23rd Nov

Dear Ms. Donlon,

Mr. Donagh Diamond of RTE stated on 'Prime Time' Television last night 23rd Nov. that according to Shell Ireland, "*Flaring of gas will not take place during normal operations*".

As you are aware this is in direct conflict with the information provided to the EPA by Shell Ireland.

Please require Shell to publicly retract this statement immediately.

Yours sincerely,

Imelda Moran.

CC: RTE 'Prime Time'.
