To whom it concerns:

We the undersigned

wish to have my objections to the proposed Anaerobic Digester at Ballard Araglen noted. We object to the Anaerobic Digester on the following grounds: (i) proximity to local school which ~~our~~ son attends.

(ii) possible emissions which may endanger human and animal health.

(iii) Risks to wild life ~~and~~ plants.

(iv) Risk of pollution air/water etc

(v) Change to a way of life for people in the community etc

due to waste being brought to
this plant from many miles away
when a number of small digesters
could be set up @ source
→ thus leading to reduction in
Transportation & all its related
problems.

Thank you for taking the
time to read ~~our~~ concerns

Yours Sincerely
MARY Mc HUGH
