Dear Ms Roche,

Now that the statutory objection period has elapsed, is it possible to take an observation welcoming the EPA's findings to date. You will note that we are in support of the project.

I have in mind the HSE's ( Mercy Rd, Ballina) submission in the matter.

Is Mise

Dear Mr Cafferty

The Agency is presently in a statutory objection period and therefore can only consider valid objections received either from third parties or the applicant during this period. The Agency cannot consider or accept any other correspondence and therefore cannot consider your e-mail correspondence, unfortunately the Agency has absolutely no discretion in this matter.

If you wish the Agency to consider your e-mail correspondence it must comply with the criteria set out in the attached document.

Yours sincerely

Noeleen,

This is not an objection, merely an observation welcoming and supporting the licence. It should be treated as such.

Yours

Brendan Cafferty
