BREO FOODS (GALTEE FOODS) IPPC 174-01 Mitchelstown

Dear Sirs

I note that effluent from the Breo Foods facility discharges to Dairygold's effluent treatment Plant at Castlefarm Mitchelstown under IPPC 404-02. Any review of IPPC 404-02 should include at least a review of the full range of inputs/discharges from the Breo Foods facility to the Castlefarm ETP facility.
