Subject: oral hearing

Hello.

My name is William Walker, I submitted an objection to the granting of a IPPC licence to Shell reg num. PO738-01.

I got correspondence from Ms. Noeleen Roche on the 09/03 stating that I could make a submission to the agency on the other valid objections.

Is it possible to cover concerns or issues not related to any of the valid objections at the oral hearing, or will the oral hearing be restricted to the valid objections already lodged?
