Reg No. P0809 - 01

Dear Catherine,

I refer to your letter of 16/05/07 about Reg. No. P0989-01 (Cadbury Ireland Ltd.) and wish to comment as follows. As per my letter of 24/04/05 I wish to reiterate that the objections are not related to any condition imposed by Dublin City Council and thus Dublin City Council is not in a position to make a submission on the objection.

However in relation to the timescale for the installation of continuous ph monitoring I think that a period of six months from the date of the grant of the licence would be an appropriate and fair time for installation.

Yours Sincerely

Martin Ryan,

Senior Engineer
