Re: Corrib Onshore Gas Pipeline Project

Dear Ms Kelly,

Further to our recent correspondence regarding the above project, I can confirm that RPS Group will host our second open day on 12th June in the Broadhaven Hotel, Belmullet from 3.00 – 9.00pm.

The purpose of the open day will be to report on community consultation to date, outline the route development process and to present alternative route corridor options.

We would welcome your attendance at this event where we will be pleased to discuss your views on this project further. In any event, a brochure will be prepared which will summarise the above issues, which I will forward to your organisation.

If you have any queries, please do not hesitate to contact the undersigned.

Yours sincerely,

Cathriona Cahill
