RE: EIS submitted under Register No. P0824-01

Dear Catherine,

With reference to your letter of the 1st August 2007, the EIS is lacking in detail and does not deal with the full range of environmental issues adequately. It is felt that it is not an adequate EIS.

If you have any further queries I may be contacted at the above address.

Yours sincerely,

Brendan Cooney. B.Sc (Hons); Dip Chem; M.Sc. (Agr)
Executive Environmental Scientist,
Environment Section
