**RE: Proposal for Effluent Treatment at Dunbia report Dated 30<sup>th</sup> of August 2008.**

Dear Sir,

I have reviewed your report dated the 30th of August 2008 and in order to minimise the excessive loading to an already stressed Local Authority Wastewater Treatment Plant this office recommend the following alterations to your project timescales:

- April 2008 to complete your planned proposals 1 and 2.
- November 2008 to complete your planned Proposal 3 and 4.
- Submit monthly reports to this office detailing your progress in relation to achieving the attached consent limits.

If you wish to discuss the above matters contact the undersigned at 044-9332168.

Yours Sincerely,

Ms. Anne Bonner  
Environment Section
