Obj (8) + OH Reg.
John Hawkins
7 St PATRICKS VILLAS
RINGSEND
DUBLIN 4
MON-17-DEC-2007

To Whom It May Concern

I wish to object to
the granting of a licence to WO232-01
applicant Dublin City Council ~~applicant~~

My objection is as follows I am
a member of the local Rowing Club
and the last incinerator left its
legacy behind in our member's
the amount of cancer which is showing
up in our member's is ~~very~~ very serious
the black dust ~~is~~ from Bio-Bur
stacks always covered our boats
we did not know what it was
until now but our member's who
used to wash it off the boats
are either dying from cancer or
the children are now developing tumors
this can not happen again with the
prevailing winds which will cover
RingSEND ~~the~~ village from new stacks
in new proposed incinerator.

I ~~am~~ also requesting an oral
hearing on this issue.

I am enclosing 200 for object
100 oral hear
