**Re: IPPC Licence Application for Facility at Derrykinnigh, Emmyvale Co.
Monaghan – Sean McKenna**

A Chara,

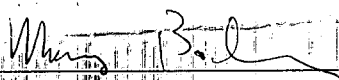

I refer to the application regarding the above-mentioned application from Mr. Sean McKenna. Outlined below are the nature conservation observations of the Department of the Environment, Heritage and Local Government.

The activity (chicken rearing facility) for which the licence is sought will not impact on any pNHA, SAC, SPA. We understand that all litter from chicken houses is collected and composted by Chicken Litter Recycling Co-operative Ltd. (used in Mushroom Growing Industry).
