**Re: IPPC Licence Application for Facility at Corryrabeg, Carrickroe, Emmyvale,  
Co. Monaghan – James McKenna**

A Chara,

DÚN SCÉINE

HARCOURT LANE

DUBLIN 2

I refer to the application regarding the above-mentioned application from Mr. James McKenna. Outlined below are the nature conservation observations of the Department of the Environment, Heritage and Local Government.

The activity (chicken rearing facility) for which the licence is sought will not impact on any pNHA, SAC, SPA. We understand that all litter from chicken houses is collected and composted by Chicken Litter Recycling Co-operative Ltd. (used in Mushroom Growing Industry).
