RE: Review of an IPPC licence from Premier Proteins (2000) Ltd, Poolboy, Ballinasloe, Co. Galway

A Chara,

I refer to your report for a review of an IPPC licence from Premier Proteins (2000) Ltd. I understand that time is up for objections to the licence however I received a comment from Fiona Holland, Senior Executive Engineer, Water Services, Galway County Council stating that Premier Proteins should not be permitted to connect into the existing Waste Water Treatment Plant in Ballinasloe.

Mise, le meas,

Alan Farrell,
Town Clerk.
