**RE: Martin Jennings Wholesale Ltd. IPPC Licence Application
Reg No. P0859-01.**

We refer to the above application at Knockfreen, Neale Road, Ballinrobe, County Mayo, which was lodged on 21st July 2008.

Principal Class of Activity: 7.4.1: Food and Drink.

Description of Principal Class of Activity: The operation of slaughterhouses with a carcass production capacity greater than 50 tonnes per day.

We are acting on behalf of an adjoining landowner.

We understand that this application is at further information stage and that the period for submission of observations and/or objections has not yet arrived. Please confirm that this is in fact the case.

Please also confirm that we will have the right to lodge an observation and/or objection once the application is validated by the EPA.

Please forward a copy of the application once all the further information is submitted by the applicant to the EPA.

Yours faithfully,

Paul Roddy, Dip. Arch. Tech., R.I.A.I. (Tech.).
