13th November 2008

Dear Ms. Smith,

Application by Cork County Council for a Waste Water Discharge Licence for Midleton WWTP, Co. Cork : D0056-01.

Thank you very much for your acknowledgement of my letter of 4th November and for accepting it as a submission and for putting it and its enclosures on the website.

I do note, however, that the graph, which was item (1) of the enclosures was omitted. I am very sorry if this was my fault, but enclose it now, both for your colleagues dealing with this application and so that you can post it on the web with my last letter. I do think it is very important evidence.

Trusting that this is not too much trouble.

With many thanks.

Yours sincerely,

D.L.I. Hugh-Jones
