To Whom it May Concern

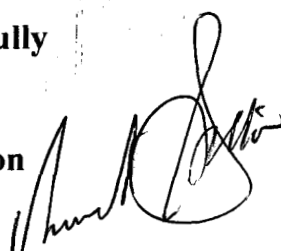

Within the past few days you will have received from us a letter of objection to the above application, dated December 16<sup>th</sup>.

We have since had direct discussions with one of the directors of Buchpa Limited and have received personal assurances relating to the issues which are of concern to us.

Accordingly, we wish to withdraw our objection to the application, in the knowledge that, if it succeeds, the EPA will apply conditions and monitoring processes to protect the welfare of local residents.

Yours faithfully
