To whom it may concern.

I refer to the application by Dixxon Environmental
 Ltd for a licence to operate an integrated
 waste management facility at homagrathy
 and Carranure Townlands, Cookehill, Co
 Cavan.
 Ref: W0248/01.

I would like to object to the above
 for numerous reasons:

I reside in Ballyhaise Village &
 the odour from the dump all
 year round is unacceptable. The
 stretch is horrible and I can't
 begin to imagine what it's doing
 to my health and my child's health.
 It's an embarrassment for me
 when I have visitors. My clothes
 on the washing line stink and
 sometimes have to be washed
 twice. I can't have friends
 over on a sunny summer
 evening for a bar-b-q as my
 garden is an embarrassment as
 the smell is gross.

Please for my child's sake if nothing
 else close this pit-hole.

Kind Regards
Edel Quinn.
