Re/ Application by Oxigen Environmental Ltd., for a licence to operate an integrated Waste Management Facility at Lismagratty and Corranure Townlands, Cootehill Road, Cavan Co. Cavan Your Reference: W0248/01.

Dear Sir/Madam,

We refer to the above application for a waste licence and would wish to object to the granting of same on the following grounds:

We wish to state that we live 4 Kms from this Landfill and if the operation of the existing facility continues it will be impossible to live in the area. We cannot enjoy going for walks, gardening, we cannot open a window, sometimes we feel sick from this disgusting smell. Why should we have to live in these conditions? who cares about our health.

For the above reasons we call on the Agency to refuse the application for a licence in this matter and to press for the closure of the present facility

Kindest regards
