Re Licence Application W0261-01

Dear Ms Harris

I refer to the above waste licence application by Panda Waste Services for their site at Cappagh Road. No Environmental Impact Statement has been submitted with the application nor was one submitted (or required by the planning authority) with the planning application. I request the Agency to consider whether an EIA should be undertaken in the light of the recent European Court of Justice (C-486/04,) and guidance from the European Commission (Interpretation of definitions of certain project categories of annex I and II of the EIA directive 2008-022) on the definition of disposal for the purposes of the Environmental Impact Assessment Directive.
