

Submission No 69.  
Billis  
Cavan  
Co Cavan  
10-3-09

Dear Sir / Madam,

As I resident in Cavan approx. 3 miles  
from Land Fill in Coranure Cavan I wish to object  
to the application By Oxygen Ltd. for licence to  
operate waste facilities at this site.

The smell from this site can be so  
overpowering in this area from time to time.  
At night time the smell can come in to our  
bedrooms so we can not have our windows  
open. During the day when it travels we have to  
shut all doors & windows thus become prisoners  
in our house. Also when I travel to visit my  
parents past the land fill I must turn off the fan in  
the car for fear of the smell. I have contacted  
E.P.A. many years ago about this also.

Yours Sincerely  
Kathleen Lynch
