Dear Sir/Madam,

I am writing to you in connection to the smell that is coming from the Waste Management facility at Kismagrathy and Corranure Cotehill Rd. Cavan. It is spoiling our scenic area and natural resources. There is nothing but broken promises from Cavan County Council for over 10 years and by Oxigen for the past 12 months.

I call on the Agency to refuse the application for a licence in this matter and to press for the closure of the present facility.

Thanking you  
Sincerely yours Anne McLoenack
