Dear Sir / Madam

Re - Application by Origen
Environmental Ltd, for a
Licence to operate an Integrated
Waste management Facility at
Lismagraty and Corrunure
Town lands, Koshill Road,
Cowan, Co. Carlow.

Your Reference W0248/01.

I refer to the above application for a waste licence and would wish to object to the granting of same on the following grounds

1. The foul odours emanating from the present land fill facility regularly are both very unpleasant and worrying.

2. The land fill facility is very close to our residence and from our kitchen window we have full view of the land fill.

3. We are worried that our well could be contaminated by our close proximity to the land fill.

4. The value of our residence and farm land is adversely effected by the present Facility.

5. In conclusion our quality of life is being affected ^{having} beside the present land fill facility (odours, health worries etc) and it will probably lead to us trying to sell our house and farm and move out of the area.

Yours Faithfully

Brian Smith
