Application: Oxigen Environmental Ltd, for a Licence to operate an Integrated Waste Management Facility at Lismagratty and Corranure Townlands, Cootehill Rd, Cavan Co Cavan. Your Ref:W0248/01

Dear Sir

For the past number of years the dump has affected my quality of life, in and around my house.

I believe the health implication, for all living around this badly managed facility is not being taken seriously.

If Oxigen is granted planning permission it's highly unlikely they will run the extended land fill to guide lines set out by the EPA. Which they at present flout at every opportunity, and it would appear the EPA is unable or unwilling to enforce.

I therefore strongly object to planning permission being granted to Oxigen to extend this dump.

Yours faithfully
