Re/ Application by Oxigen Environmental Ltd., for a Licence to operate an Integrated Waste Management Facility at Lismagraty and Corranure Townlands, Cootehill Road, Cavan, Co. Cavan

Your Reference: WO248/01

Dear Sir/Madam

The landfill site at Corranure takes rubbish from all over the place. Lorries come from Dublin, Longford, Meath, Westmeath, Louth, Leitrim, Monaghan to name but a few. There is a queue of them before 8am most mornings waiting for the landfill to open.

All this rubbish has resulted in a sickening smell coming from the site. If Oxigen get this licence we will surely be the place for much more rubbish from outside the county.

Because of the problems with the smell and the prospect that it will get even worse, I ask the EPA to refuse this licence.

Yours sincerely,

Mary Helen
