Dear Sirs

Re: Your Ref WO248/01

Re: Application by Oxigen Environmental Ltd., for a Licence to operate an Integrated Waste Management Facility at Lismagratty and Corranure Townlands, Cootehill Road, Cavan, Co. Cavan. Your Ref WO248/01.

I would like to object to this Application. Our family home is devalued by smells inside and out. Our deep-bore well, supplying water to residence and cattle yards, is now polluted and gone dry. As a result all our present supplies have to come from a Regional Scheme, are metered and must be paid for. This is a considerable expense on a farm which used to have its own water supply!

I call on the Agency to refuse the application for a licence in this matter and to press for the closure of the present facility

Yours sincerely,
