Re/
Application by Oxigen Environmental Ltd., for a Licence to operate an Integrated Waste Management Facility at Lismagratty and Corranure Townlands, Cootehill Road, Cavan, Co. Cavan
Your Reference: WO248/01

The dump at Corranure has made my life a misery.

Cavan County Council and more recently Oxigen have promised on numerous occasions to solve the terrible smell from the dump – they have all been broken.

I feel like a prisoner in my own home. The smell is everywhere, outside in the garden and inside the house. I can't go for a walk for fear of getting the sickening smell.

I call on the Agency to refuse the application for a licence in this matter and to press for the closure of the present facility.

Yours Sincerely

Michael J. Healy
