RE: APPLICATION TO EXTEND THE AREA BEING LICENCED AT CORANURE LANDFILL

Dear Sir,

The above existing site has over the years been grossly mismanaged, litter is blowing all over my lands: Odour is continually stomach-churning: Birds have completely taken over the area leaving it impossible for human habitation: Damage to the landscape in a visual sense is unacceptable and the density of traffic going to and fro carrying rubbish with pieces falling off and scattering over the road. In particular the area adjacent to my land is causing storm water to join with leachate and flood onto my land due to drains being closed and inadequate gipses replacing them. A map of my land where the leachate is building up is enclosed, (area highlighted in green) this leachate is permeating into the water table.

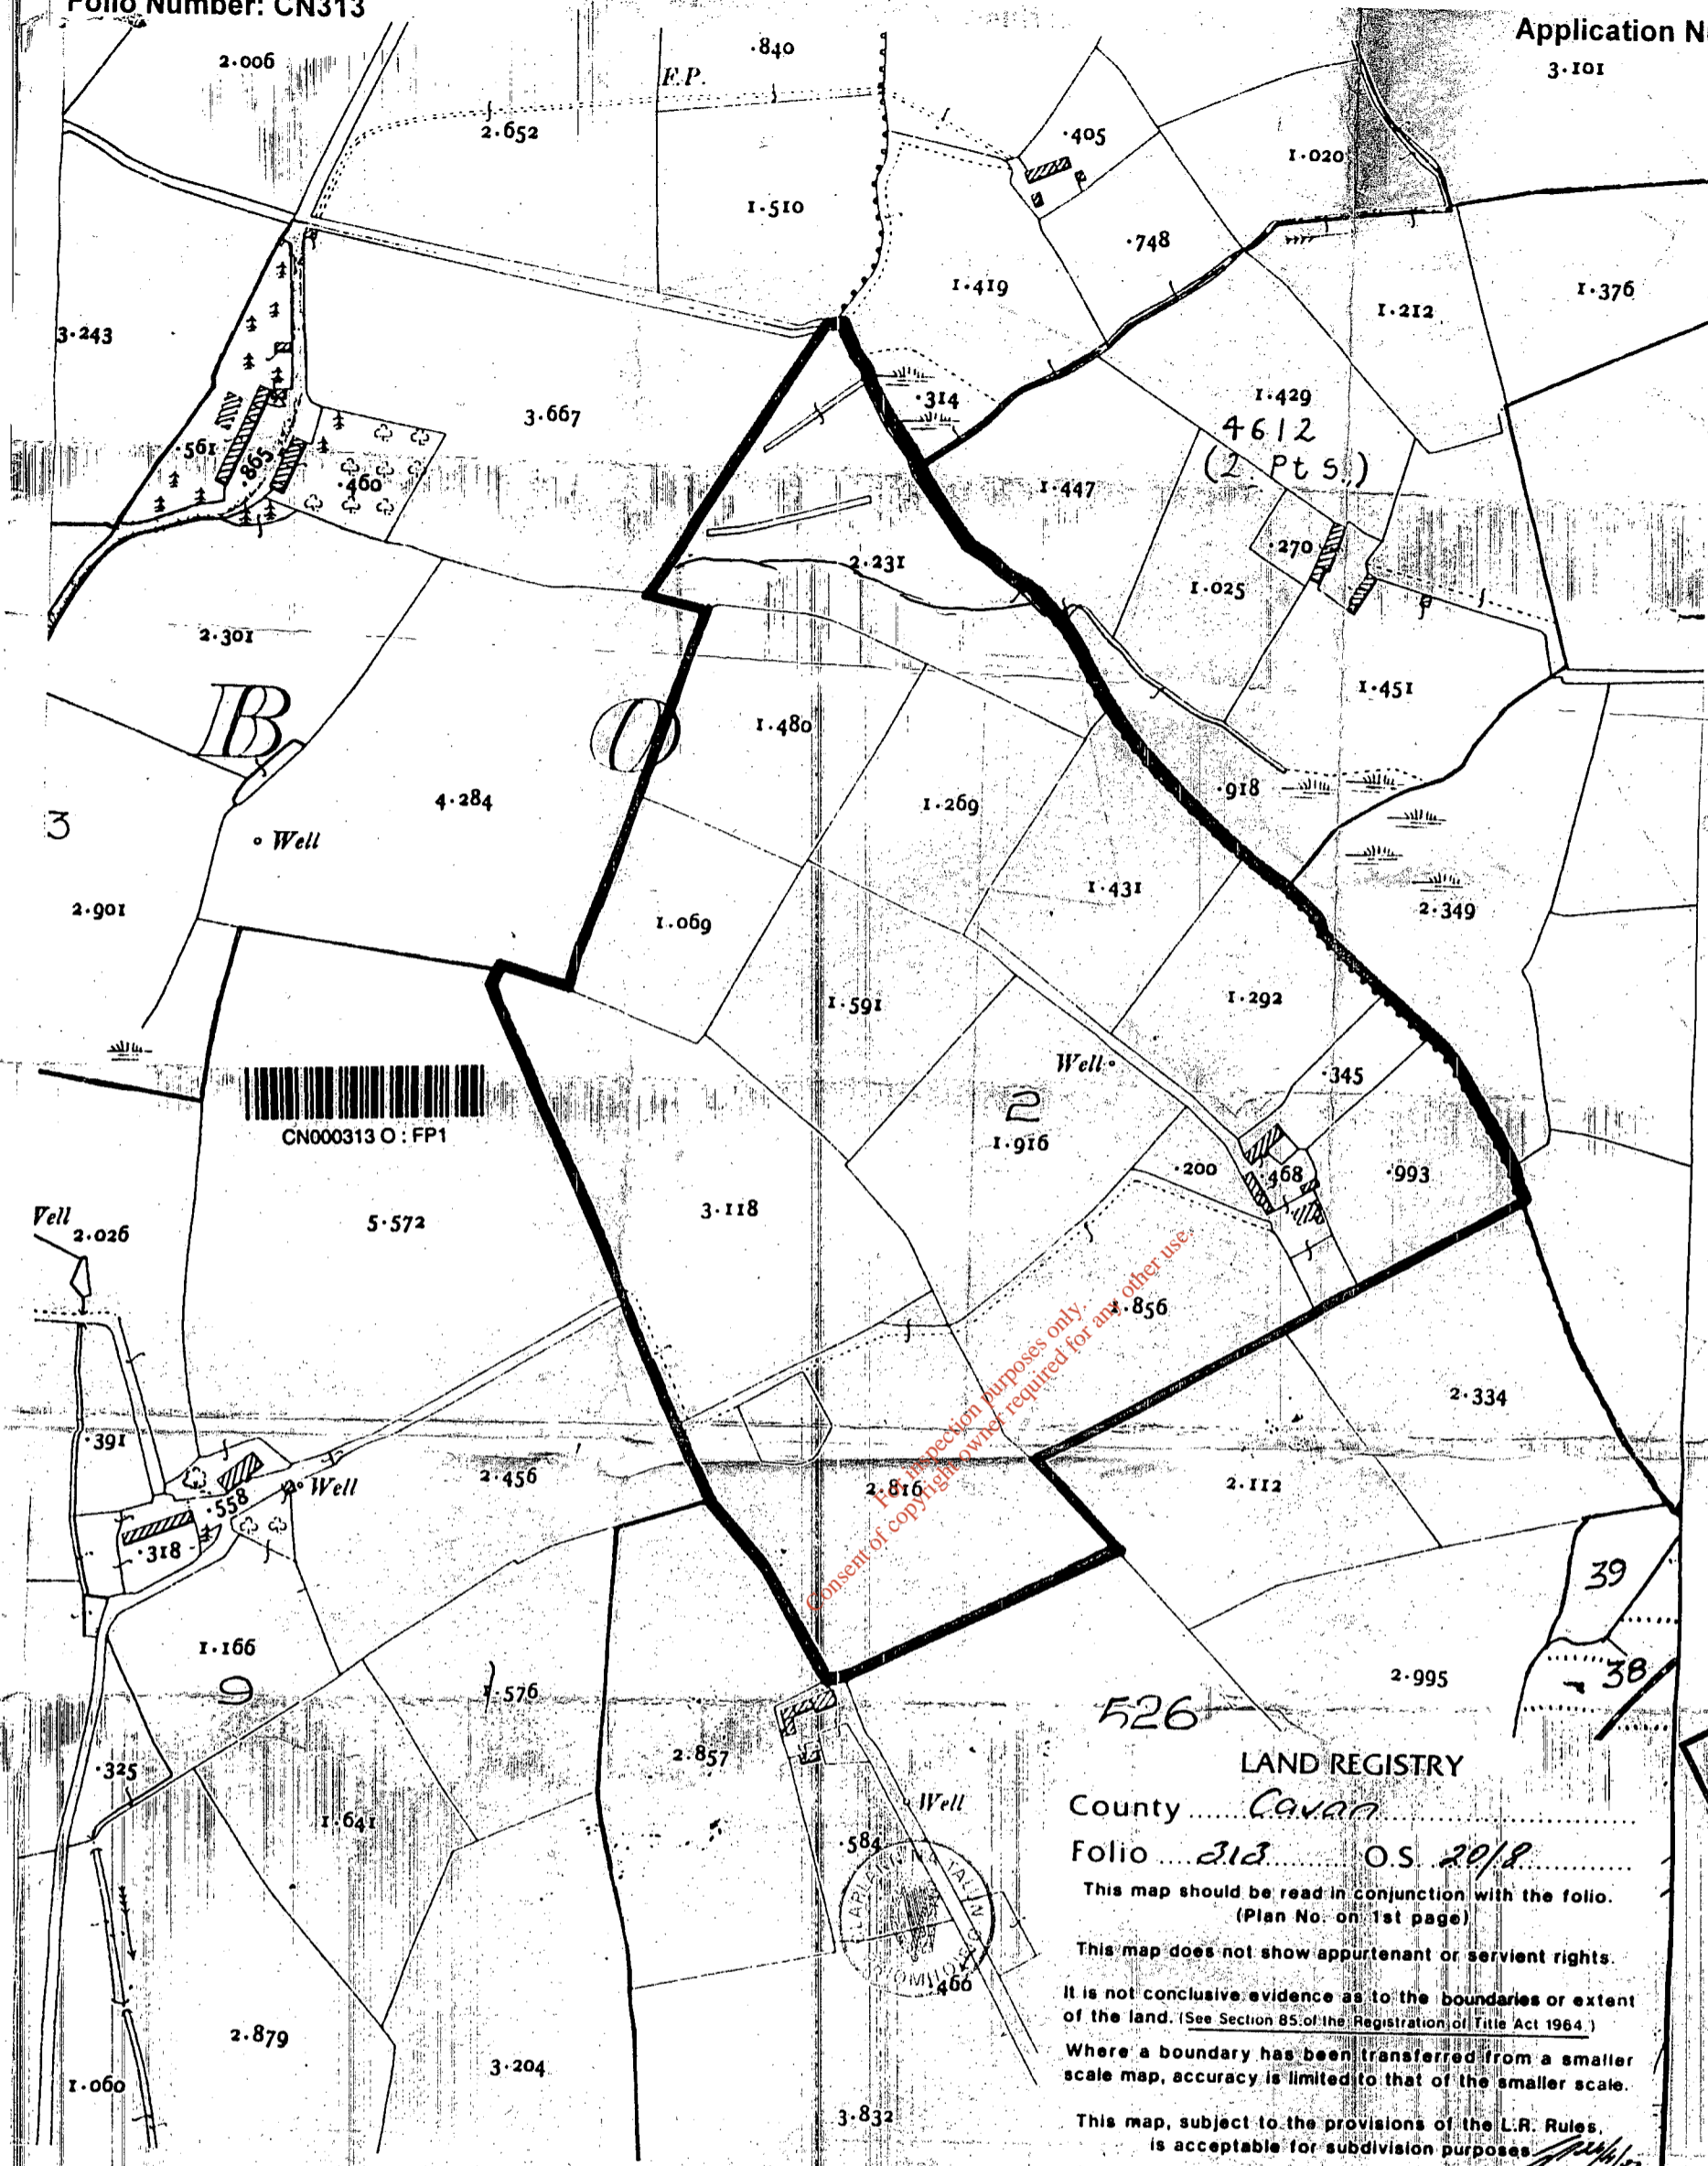

If this is acceptable to the K.P.A. your position on the matter is untenable.

Yours sincerely

Edmund Mc Cabe
