8th April 2009.

Dear Sir/Madam,

with regard to the application by Origen  
Environmental Ltd. for a licence to operate  
an Integrated Waste Management Facility  
at Kismagraty and Corranure Townlands,  
Cootemill Road, Cavan, Co. Cavan, I

would like to advise you that the presence  
of this facility so near to my house  
has seriously effected our quality of life  
here. The smells are often obnoxious and would  
give me cause for great concern with  
regard to long-term risks to the health  
of the whole community out here.

I would ask you to please refuse  
permission for this licence to be granted.

Yours faithfully,

Fabian Galera
