Mark,

I am pleased to advise that Mr Reynolds from the EPA has now telephoned me and confirmed that he is in receipt of your application and he has agreed to arrange for a fax to be furnished confirming the position.

It is unfortunate that it took some time to clarify this but you will appreciate that it is a matter which was of concern to the fishermen in light of the EPA's initial response.

Yours sincerely,

Samantha Geraghty

Dear Ms Geraghty

We do not have a Licensing office in Castlebar. The Enforcement Officer for the Shell License is in Castlebar but is out of the office until next week, so I am unable to check if he received Shell's request directly.

Yours sincerely

Thank you for that. If an application was sent to a different EPA office (i.e. Castlebar) would you have a record of it? I have faxed Castlebar today as Shell E&P have now indicated that the application was submitted to that office.
