re: Application for amendment to IPPC licence P0738-01
Applicant: Shell E&P Ireland Limited
Our clients: Erris Inshore Fisherman's Association

Dear Sirs,

We are instructed by the Erris Inshore Fisherman's Association who were given a commitment last year by Shell E&P Ireland Limited regarding an application to amend IPPC licence P0738-01.

Mr Mark Carrigy of Shell E&P Ireland Limited has furnished us with a copy of the application which we understand was lodged with you on the 2nd April, 2009.

Our clients are concerned due to the fact that there is no reference to this application on the EPA website and when we telephoned the helpline given we were advised that there was no record of such an application having been made.

We would be obliged if you would confirm to us that you are receipt of the said application and you might also advise as regards when you expect to be in a position to make a decision regarding the said application.

We await hearing from you and thank you in anticipation of your reply.

Yours faithfully,
P. O'CONNOR & SON
