Brian. I Paul Runkle want to object to Cork CC. Changing license for BOTTLE HILL LAND FILL after spending 2 weeks at ORAC HEARINGS we were told only BAILEY waste ~~would~~ would be accepted at LAND FILL. Now they want to accept Biz in loose waste also which I strongly object we were told when landfill was being built it would only accept BAILEY waste, now Cork CC are trying to change the license to suit themselves even before it opens, (what next), Hope you will give this matter ~~your~~ serious consideration.
