**Reg. No: P0910-01**

Dear Ms. Stafford,

I refer to your recent communication in relation to the Integrated Pollution Control Licence in respect of a poultry facility at Shanemullagh, Clontibret, Co Monaghan.

This is to advise that the HSE has no significant concern regarding the health impact of the proposed activity subject to the normal standards in environmental pollution being applied and monitored.

Yours faithfully,

**Brian McKeever**  
**Principal Environmental Health Officer**
