Re: IPPC License Application - C & D Foods - Ref: P0908-01.

Dear Josephine,

I refer to your letter, dated 12th January 2010, Ref No: P0908-01, advising Longford County Council of application for IPPC license by C & D Foods Ltd.

Under the new IPPC license, Longford County Council is agreeable to allow a higher flow rate, up to 400m³/day, at a reduced concentration of 200mg/ltr BOD. i.e. to maintain the existing loading of 80 kg/day BOD.

This continues the existing load limits and is acceptable to LCC with regard to the loading on our WWTP.

Any queries, you can reach me at the listed contact details.

Yours sincerely,

Brian Ross
