Subject: Greenstar Re-cycling Facility in Cookstown Industrial Estate In Tallaght .

Hi Niall , Following our Discussion Last Monday re the above Facility , I wish to put in an objection to the application for a licence for de-contaminating motor vehicles at the above Facility .

We are Objecting on the Grounds Of the Nuisance this Facility is Creating :

A : Excess vibrations coming from the yard .

B : Smells from yard on occasions .

C : Dust Emissions .

Could you please pass these concerns on to your colleague in the relevant section of the EPA . I can be contacted directly on 087 6219175 .

Kind Regards ,

Pat
