

# Foynes and District Community Council

c/o Michael Cleary, Chairman  
Ardineer,  
Foynes,  
Co. Limerick.

20<sup>th</sup> November 2009

Environmental Protection Agency  
PO Box 3000  
Johnstown Castle Estate  
Co. Wexford

**Ref :** W0271-01 Greenport Environmental Limited at Durnish, Harbour Road, Foynes, County Limerick, **Composting Facility.**

Foynes and District Community Council have the following objections to the proposed development

- No alternatives have been considered in the Environmental Impact Statement in contravention of Paragraph Section 1(d) of Schedule 6 of S.I. 600 of 2001.
- Therefore we believe that the EIS is inadequate.
- The area to be licensed as shown in attachment **B2** drawing 061-306-037-Rev P1 should be the revised to be the same as indicated in attachment B1 drawing 061-306-040 Rev P2 to prevent any ancillary waste activities occurring outside the EPA licensed area such as storage of compost produced in the facility to be licensed or other activities such as storage of Refused Derived Fuel , which is currently stored in an nearby shed by Mr. Binman which effectively controls Greenport Environmental Ltd.. It is important that the EPA are the one stop shop on waste activity enforcement rather than having Limerick County Council permitting adjacent site activities. It is important that the EPA control any waste industry activity occurring on the map as shown in attachment B1.

Yours truly

Yours truly,

Michael Cleary  
Chairman  
Foynes and District Community Council.

THE COMMUNITY COUNCIL  
FOYNES AND DISTRICT COMMUNITY COUNCIL  
FOYNES,  
Co. LIMERICK.
