**Re: IPPC Licence Application from Ballyfaskin Enterprises Ltd, Ballyfauskeen,
Ballylanders Co. Limerick**

A Chara,

I refer to your recent letter in relation to the above-mentioned development. Outlined below are the nature conservation recommendations of the Department of the Environment, Heritage and Local Government.

The nearest designated site is the Galtee Mountains Special Area of Conservation (SAC) (Site Code 646). It is approximately 4.5 kilometres away from the application site. Appropriate mitigation measures should be put in place to ensure that there is no deterioration in the water quality downstream of the SAC through either direct effects or by the spreading of manure. The licence should only be granted if this is possible.

Please be advised that as of **26th April 2010** the new postal address for all correspondence to the Development Applications Unit is The Manager, Development Applications Unit, Department of the Environment, Heritage and Local Government, Newtown Road, Wexford. Please ensure all correspondence, for the attention of DAU, is forwarded to this address from the aforementioned date.
