Good evening Pat,  
Please note that Convention / Statutory certificates are issued for a five year period subject to annual endorsement.

In this case the scans sent in August do not indicate 2009 endorsements and must be updated and forwarded to this office, otherwise this will incur a further delay.

Regards.

Nick

Thank you very much for that Pat,

The certificates for the Sospan were included with the application in March. There are printed copies at the back of the document and electronic copies on the CDs.

I attach them again for your records in case you do not have access to one of the CD copies.

Kind Regards,
