I am still awaiting a response to my request under the Mellor Judgement of the ECJ.

As it seems that the EPA IS HAVING DIFFICULTIES IN RESPONDING,

I REQUIRE AN EXTENSION OF TIME TO APPEAL THE DECISION.

Subject: Mellor Judgement. P738-02.

Please read my request for information subject to the Mellor Judgement.

This request could not possibly be considered a submission.

This is my request.

Please supply a copy of reasons for the determination or the relevant information and documents as to why this Annex 1 development does not need an EIA

I have also asked The EPA and you in particular not to correspond with me by letter. I am able to read email.

Yours
