Reference	E3/2/14 Vol.13 Dublin Port Company. Dumping Permit
CC	

- This office has no objections from a navigational viewpoint to the above application.
- **The applicant is required** to arrange the publication of a local Marine Notice prior to commencement of operations. This notice should give a brief description of the work to be undertaken, the method of dredging and a time scale in order to give as much notice and information to port users.
- All vessels employed in the operation must satisfy Irish statutory and International certification requirements and be manned in accordance with S.T.C.W.
- In order for charts and nautical publications to be updated **the applicant is required** to inform the British Admiralty Hydrographic Office at Taunton, UK, of the location and nature of the proposed works.

Application for a Dumping at Sea Permit – Dublin Port Company

Dear Mr Cantwell,

I enclose an application in relation to maintenance dredging at Dublin Port Company.

I would appreciate your observations on this matter. Please address all correspondence to Pat O'Neill, Foreshore Section, Department of Agriculture, Fisheries and Food, Johnstown Castle Estate, Wexford.

Yours sincerely

Grace O'Brien
Coastal Zone Management Division
