Section 3

17/02/2011

Ref: Waste license application by Murphy Environmental Ltd for a hazardous waste facility at Hollywood Great, Naul, Co Dublin.

To whom it concerns,

It has come to our attention that An Bord Pleanala have engaged in correspondence with the EPA regarding this proposed development, according to letters posted on the EPA website. (Ref 8 page 36-37) The EPA has responded to this. (Ref 9 page 38-39)

In our opinion this represents a clear breach of due process and shows evidence of bias and prejudice in this matter prior to completion of the process.

We wish to draw your attention to the McKechnie high court ruling 2009 in this regard.

This correspondence could be interpreted as asserting undue influence in the process and may give rise to grounds for Judicial in the future.

Yours faithfully,
Shay Lunney
