Reg. No: P0913-02

Dear Ms Fay,

I refer to your communication and recent submissions by Greenfield Foods Ltd in relation to the review of Integrated Pollution Control Licence in respect of the above facility.

This is to advise that the HSE has no significant concern regarding the health impact of the proposed activity subject to the normal standards in relation to noise, air, and water pollution being applied and monitored.

Yours sincerely,

Brian McKeever
Principal Environmental Health Officer
