Mr. Frank Clinton,
Programme Manager,
Environmental Licensing Programme,
Environmental Protection Agency,
PO Box 3000,

**Re: Notice of Intention to Revoke a revised Licence pursuant to Section 97 of the
Environmental Protection Agency Acts 1992 to 2010.
Register No. [REDACTED] - Premier Proteins (2000) Ltd.**

A Chara,

I refer to the above and wish to acknowledge notification received in this office 11th January 2011.

Having discussed the issue at the monthly Council meeting on 11th January, the members of Ballinasloe Town Council have asked me to convey their full support for the revocation of the revised IPPC Licence for the reasons as outlined in the notification letter, primarily the history of non-compliance with licence conditions, and the long history of odour issues and complaints regarding the operation of the facility.

The members would exhort the Agency to proceed with the revocation process as proposed.

Mise, le meas,

Mark O'Donnell,
Town Clerk.
